2. Check the information carefully to see if there are any problems with the payment details.
3. If there is no problem with the payment details, log in to your CoinPayments account, select bitcoin and then click on 'Complete the payment'.

4. After you login to your account, you will see a unique QR code, a wallet address and your Payment ID.

5. Copy and paste the wallet address into your own wallet app. Or select 'Scan QR code' and simply scan it with your app.
6. The payment needs to be completed within the time limit (shown below the 'Time Left'). Otherwise, you will need a new payment link.
